

INVESTMENT MANAGER, WORKING WITH INVESTMENTS IN DEVELOPING COUNTRIES – BASED IN COPENHAGEN

Are you driven, inspired by our mission to deliver impact, and do you want to grow as an investment professional? IFU is looking for an Investment Manager, who is motivated by making investments in the most challenging markets in Africa, Asia, Latin America and Europe with the aim of supporting economic development.

IFU has an entrepreneurial approach to investment. We think innovatively about ways to deploy our capital, attract and mobilise other investors, and drive transformational and sustainable impact in the poorest countries in the world. Our fund invests on commercial terms, and we have invested over USD 3 billion across different sectors and geographical areas.

THE JOB

As Investment Manager, you will:

- become part of an engaged and experienced investment organisation with over 50 investment professionals covering all types of investments.
- primarily be a member of deal teams; analysing and executing new investment proposals, conducting due diligence, carrying out financial modelling, taking part in negotiating terms and drafting legal documentation, preparing, and following up on materials for the investment committee and board, etc.

Building a career within Investments, you will be part of sourcing new investments by supporting our marketing activities, preparing and taking part in meetings with investment partners. We will support and guide your development within the investment process and expect you to deliver high-quality work. As you grow within IFU, you will gradually take part in managing our portfolio companies, contributing to the active ownership and eventually represent IFU on portfolio company boards.

You will be supported by an experienced Vice President, who will guide your professional development. IFU's learning culture provides the tools and organisation for individual development.

QUALIFICATIONS

The key qualifications are 2-3 years full-time experience from M&A, private equity, impact investing, consulting, or other relevant experience. In addition, you:

- hold a master's degree with excellent academic results
- are detail-oriented with a structured working approach
- are an expert user of Microsoft Office and especially Excel, with an aptitude for financial modelling
- are fluent in English both in writing and spoken
- have strong interpersonal skills and business judgement
- are willing to travel

APPLICATION

To be considered for the vacant position, please send your CV and motivated application from your own email to job@ifu.dk as soon as possible, but no later than 13 September 2021. We expect to conduct first-round interviews in week 38-40 (20/9–5/10) and second-round interviews week 40-41 (8/10-15/10).

For further information, please go through IFU's website. If you have questions, please send them in an email to HR@ifu.dk, and we will revert to you.
