

FINANCIAL CONTROLLER

IFU, the Investment Fund for Developing Countries, is hiring a Financial Controller who will be working in close cooperation with the Chief Accountant.

You will be an important part of an engaged accounting team as you perform in the role as Financial Controlling. You will act in accordance with the increasing legislative requirements as you together with the Chief Accountant oversee the reporting of accounts for IFU and the funds managed by IFU. In addition, you will be tasked with internal controlling of accounting information.

IFU is providing risk capital to private sector companies in developing countries and emerging markets in Africa, Asia, Latin America and parts of Europe. IFU has a strong focus on impact. All investments must support the green transition and contribute to poverty alleviation and reduced inequality. IFU is a global organisation and had in 2021 around 100 full time employees representing 20 different nationalities, with more than 15 per cent of staff located at our regional representations in China, India, Singapore, Kenya, Ghana, Brazil and Ukraine.

JOB

IFU and IFU-managed funds

- Responsible for the administration of status books and audit protocols
- Responsible person in connection with the accounting, audit and corporate administration of IFU's regional offices
- Assistance in connection with the preparation of half-year and full-year accounts
- Assistance in connection with the preparation of budgets
- Assistance in connection with the review of value adjustment reports

IFU-managed funds

- Responsible for preparing annual accounts
- Responsible for preparing draft tax reporting for the investors (K/S's)
- Responsible for - in collaboration with the external audit - preparing and reporting of tax returns (ApS's)
- Responsible for administration of status books and audit protocols
- Responsible for preparing accounting figures for use in quarterly investor reports

Financial Controlling

- Controlling of registered investment data for portfolio companies
- Control of registered financial reporting for portfolio companies
- Check of registered collateral issued to IFU
- Ad hoc controlling

The ideal candidate

You have strong team skills, contributing to a constructive, positive and collaborative work environment. In addition to this, you have these qualifications:

- Cand.merc.aud. HD@ or similar
- +5 years of relevant experience, e.g.e.g., as an external accountant with demonstrated successful track record
- Strong knowledge of IFRS and the Danish Annual Accounts Act
- Mature person with the ability to "lead upwards"
- Hand-on person
- Detail oriented and focused on quality
- Effective and self-motivated
- Excellent numerical skills
- Pro-active team player

- Confident user of Microsoft Office and especially Excel
- Knowledge of Navision is an advantage
- Fluent in English and Danish, both orally and writing

TO SUCCEED IN THE ROLE, YOU:

- Are a valuable and active sparring partner to the Chief Accountant, bringing in strong knowledge of IFRS and the Danish Annual Accounts Act
- Quickly able to engage in described duties and responsibilities and act independently in the role
- Seamless and pro-active cooperation with relevant stakeholders across IFU
- Precise and to the point in terms of deadlines, details and communication

The Financial Controller reports to the Chief Accountant and is part of an Accounting team with 5 colleagues and 1 student.
