

STUDENT FOR DANIDA SUSTAINABLE INFRASTRUCTURE FINANCE – COPENHAGEN

BE PART OF BUILDING GREEN, JUST AND INCLUSIVE SOCIETIES THROUGH INVESTMENTS IN DEVELOPING COUNTRIES

Do you want to work for the Danida Sustainable Infrastructure Finance Team supporting investments in critical public infrastructure in developing countries?

Danida Sustainable Infrastructure Finance (DSIF) provides concessional loans to public investors to finance infrastructure within water and sanitation, energy and transport in Africa and Asia. DSIF is part of the Danish development assistance portfolio. By promoting investment in sustainable infrastructure, DSIF supports the UN 2030 Agenda, the Sustainable Development Goals, and contributes to creating a better framework for growth and employment. We work closely with the Danish government, governments and authorities in developing countries, and Danish companies.

The Investment Fund for Developing Countries (IFU) hosts the operational activities of DSIF. IFU is Denmark's Development Finance Institution, striving to be a best-in-class impact investor. We offer a diverse and inclusive working environment with strong values like teamwork, a "can-do" attitude and being proper in our daily work.

We are hiring a student, who is motivated and passionate about being part of our DSIF investment team helping in creating impact in countries across Africa and Asia.

THE JOB

- Perform calculation of grants in an Excel based model, perform notifications of projects to OECD and assist with final financial calculations
- Assist and support the DSIF Vice President (VP) with budgets and accounting
- Prepare documents and background material to IFU-Ministry of Foreign Affairs steering committee meetings in close collaboration with the DSIF VP
- Assist in general research, analysis and data collection
- Prepare materials and presentations for partner meetings
- Assist and support in preparation of English proposals
- Ad hoc tasks

QUALIFICATIONS

- You are enrolled in a Danish university and pursuing a degree within finance and/or economics, and are close to completing your bachelor
- Have strong analytical competencies and a clear sense of details
- Are a skilled MS Office user, especially mastering Excel and PowerPoint
- Speak, write, and read English at business level
- Are self-motivating, using common sense when solving tasks
- Always meet deadlines

Your work schedule will be flexible, 15-20 hours weekly, taking exams into consideration.

SUCCESSING IN THE ROLE

You will be part of the DSIF investment team in Copenhagen. The team consists of six investment professionals reporting to the DSIF VP. As a student in IFU you are part of a student team of more than 10 students.

Learning is an important element of working in IFU, and we will support your personal development through training, sparring and by ensuring that you get exciting and challenging tasks that you can learn from. You will work closely with senior colleagues, who will provide both informal and formal training, and many learning opportunities. Further, when joining IFU, you will take part in our onboarding programme.

APPLICATION

Send your CV and motivated application, including your grades, from your own email to job3@ifu.dk as soon as possible. We will screen applications and conduct interviews on an ongoing basis. Please state where you learned about the job.

We expect to hire the student no later than March 2023.
