

STUDENT - IFU'S LEGAL TEAM – BASED IN COPENHAGEN

We are hiring a student, who is motivated and passionate about working with commercial and sustainable investments that create impact in countries across Africa, Asia, Latin America and parts of Europe.

Do you want to work for an international investment fund creating economic and social development in developing countries through impact investments? IFU makes direct investments (equity and loans), using its own funds and as fund manager of a number of investment funds.

IFU is Denmark's Development Finance Institution, striving to be a best-in-class impact investor. We think innovatively about ways to deploy our capital, attract and mobilise other investors, and drive transformational and sustainable impact in developing countries and emerging markets. We offer a diverse and inclusive working environment, with strong values like teamwork, a "can-do" attitude and being proper in our daily work.

As a student you will **assist IFU's Legal Team with legal tasks, and you will gain broad insight into the daily tasks in a legal department.** You will solve internal tasks within e.g. company law, compliance and updating of standard documents, as well as external tasks for IFU's Investment team.

THE JOB

Your primary tasks as a student in the Legal Team will be:

- Legal work, e.g. preparing draft agreements, reviewing and commenting on drafts by other parties
- Legal research
- Updating standard documents, internal directives and guidelines, tax overviews, international lawyers' lists, etc.
- Administrative work regarding subsidiaries, e.g. drafting minutes of annual general meetings and board meetings and making registrations with the Danish Business Authority
- Compliance tasks, e.g. reading new legislation relevant to IFU, making compliance checks of IFU's investments, assist with anti-money laundering, GDPR and FATCA compliance
- Legal ad hoc tasks for IFU investments

Your work schedule will be flexible, 15-20 hours weekly, taking exams into consideration.

QUALIFICATIONS

You are enrolled in a university degree and have started on the subject "Company Law". Furthermore, you plan to continue with a relevant master's degree.

- study MA Law or Business Law
- general knowledge of company law and financial law is an advantage
- skilled MS Office user
- speak, write and read English at business level
- self-motivating, using common sense when solving tasks
- responsible and meet agreed deadlines

SUCCEEDING IN THE ROLE

You will be part of the Legal Team of nine people, including two students. The team solves many different tasks, and no two days are alike. The legal employees are all lawyers with international experience, and some have the right to appear before court in other countries. So, there is ample opportunity to gain experience with complicated transactions, international investments, international organisations, etc.

As a student in IFU, you will get familiar with our investment process and impact creation work, working with experienced colleagues and other students.

Learning is an important element of working in IFU, and we will support your personal development through training, sparring and by ensuring that you get exciting and challenging tasks that you can learn from. You will work closely with more senior colleagues across IFU, who will provide both informal and formal training and many learning opportunities. Further, when joining IFU, you will take part in our onboarding programme.

APPLICATION

Send your CV and motivated application from your own email to job5@ifu.dk as soon as possible. We will screen applications and conduct interviews on an ongoing basis. Please state where you learned about the job.

We expect to hire the student no later than March 2023.

For further information, please go through IFU's website. If you have any questions, please contact:
