

## STUDENT POSITION WITH IFU'S INVESTMENT ORGANISATION - COPENHAGEN

**We are hiring a student, who is motivated and passionate about working with commercial and sustainable investments that create impact in countries across Africa, Asia, Latin America and parts of Europe.**

Your job will be to assist and support our investment organisation in preparing, presenting and monitoring our sustainable investments. You will be involved in the entire investment process from start to finish, working in teams with experienced colleagues in Copenhagen and our regional offices, as well as other students.

IFU is Denmark's Development Finance Institution, striving to be a best-in-class impact investor. We think innovatively about ways to deploy our capital, attract, and mobilise other investors, and drive transformational and sustainable impact in developing countries and emerging markets. We offer a diverse and inclusive working environment with strong values like teamwork, a "can-do" attitude and being proper in our daily work.

### THE JOB

As a student in Investments, your tasks will be:

- assisting with building financial models and evaluating performance under various operating scenarios
- preparation of materials for the investment committee
- screening projects for fit with IFU's investment strategy
- performing general research and analyses
- ensuring that IFU's databases are updated
- preparing presentation materials for use in partner meetings
- ad hoc tasks

Joining IFU, you gain a job in a unique international investment fund. We have a very strong student team of 10 students, who are assisting and helping in key areas in the organisation.

You will be supervised by experienced investment professionals and be part of our investment teams that will guide your professional development. IFU's learning culture provides the tools and organisation for individual development.

Your work schedule will be flexible, 15-20 hours weekly, taking exams into consideration.

### QUALIFICATIONS

You are enrolled in a Danish university degree and close to completing your bachelor, and you plan to continue with a relevant master's, or you have just started on your master's, in Denmark.

- have knowledge of financial modelling, and knowledge of valuation methods is an advantage
- have strong analytical skills
- are well-organised and paying attention to details
- are fluent in English, both written and spoken
- are an experienced user of Microsoft Office, especially Excel and PowerPoint
- are motivated about making a difference in the world and addressing some of the largest challenges facing our planet in challenging markets

### SUCCEEDING IN THE ROLE

As a student in IFU, you will get familiar with how we work and create impact through investments in developing countries and get exposure to the investment process and impact creation work, working with experienced colleagues and other students.

Learning is an important element of working in IFU, and we will support your personal development through training, sparring and by ensuring that you get exciting and challenging tasks that you can learn from. You will work closely with more senior colleagues across IFU, who will provide both informal and formal training and many learning opportunities. Further, when joining IFU, you will take part in our onboarding programme.

Joining IFU, you gain a job in a unique international investment fund, and you will be part of the team of students across IFU, who are assisting and helping on key areas in the organisation.

## **APPLICATION**

Send your CV and motivated application from your own email to [job1@ifu.dk](mailto:job1@ifu.dk) as soon as possible. We will screen applications and conduct interviews on an ongoing basis. Please state where you learned about the job.

We expect to hire the student no later than March 2023.
